

## COUNTING SYSTEM

# GSE 60-SERIES APPLICATIONS

**Comprehensive counting system with bar code scanning and label printing**

**Fast and efficient stock taking**

**Electronic data output for easy analysis and archiving**

## FEATURES

### WEIGHING

- High resolution counting scales for accurate parts counting.
- Second scale input for high capacity bulk weighing / counting or fine resolution sampling.

### INTERFACE

- Large LCD display for user-friendly operation via soft-keys.
- Simple sample routine and recording of data for updating stock levels.

### ELECTRONIC DATA INTERFACE

- Existing parts lists can be downloaded to the scale in advance for recall by the operator.
- When stock-taking is complete, all inventory data can be uploaded back to the host PC.
- Simple data format with minimum modification required.
- Compatible with simple text files or spreadsheet applications

### BAR CODING

- Bar code printer for individual item label printing or complete inventory labelling.
- Bar code scanning for quick and easy identification of parts.

### PORTABILITY

- Powered by internal rechargeable batteries to enable whole system to be mobile.
- Optional radio modem for wireless serial communications.

## MINIMUM REQUIREMENTS

GSE 675 scale

## STANDARD SPECIFICATION (GSE 675)

Resolution	1,000,000d internal, 100,000d max displayed
Capacities (built in)	3kg x 0.1g 75.kg x 0.2g 15kg x 0.5g 30kg x 1g 50kg x 5g
Number of scales	1 built in and 1 external
Signal Input Range	0.1 - 20 mV/V
Time/Date Clock	Non-volatile with selectable formats
Power Requirement	AC:90-250 VAC, 50/60 Hz; DC: 10-32 VDC
Excitation Voltage	10 VDC short circuit protected; 400mA, max to power (14) 350 ohm load cells
Serial ports	2 full duplex RS232
Display	LCD, graphic 16 line x 40 character backlit
Dimensions	36.5 cm (W) x 44.0 cm (D) x 14.3 cm (H)

*Number of items is dependant on the size of memory installed*

## OPTIONAL EXTRAS

Extra memory (32KB standard) 256 KB, 1MB, or 2MB  
 External PS/2 keyboard adaptor  
 External PS/2 keyboard  
 Ethernet, RS485 and radio modem communications  
 Barcode scanner  
 Barcode label printer  
 Internal rechargeable battery
